Dated: 10th Oct, 2018

CORRIGENDUM

In continuation to the tender Notice published on dated 30-9-2018 in various newspaper regarding invitation for exploiting Solar Power Potential in the State for projects ranging from 250 kWp to 500 kWp, the revised scheme with clarifications on evacuation of power from H.P.S.E.B.L. has been posted on website of HIMURJA. The power can be injected into the Grid at H.P.S.E.B.L. Sub Station or 11 kV/22kV HT distribution feeder nearby.

Other terms and conditions will remain the same.

Chief Executive Officer,
HIMURJA, Shimla-9.
